Ambulance Service
NHS Foundation Trust

Being a Trust Member

Being a Trust Member helps us shape the future of your ambulance service.

Other benefits include:

- Access to an extensive range of NHS discounts and money saving deals usually only available to employed staff, via **Health Service Discounts***
- Boosting your CV by volunteering if you are thinking of college or university
- Shaping your ambulance service by having a vote in Governor elections or even by standing as a Governor
- Access to a member only newsletter
- Being a voice in developing your ambulance service

Trust membership is free and open to all, aged 16+. It's a great way to support and engage with your local ambulance service and it could lead to future opportunities as a colleague or volunteer, e.g., Community First Responders.

Your voice counts

Share your experiences at our virtual Community Forum

Do you have a view or an experience to share about using our 111 or 999 services? Your voice counts and we welcome views that identify areas of service improvement for us.

Our virtual Community Forum meets bi-monthly and allows you to hear first-hand the work we are doing to improve patient care.

To find out more email: engagementteam@secamb.nhs.uk

Become a Quality Improvement (QI) Patient Representative

Would you like to make a difference to your local ambulance service?

As a QI Patient Representative, you will attend our QI project meetings and contribute towards tasks and priorities identified from these meetings.

To find out more email: engagementteam@secamb.nhs.uk

Patient Experience Questionnaire

We would like to hear feedback on your experience with our 999 service to help us understand what we are doing well and where we could improve.
