

65 or older?

You are eligible for Covid-19 & flu vaccination this autumn.

Look out for your invitation from October.

You can start booking your flu and COVID-19 vaccinations in advance from 23 September, with appointments running until 20 December.

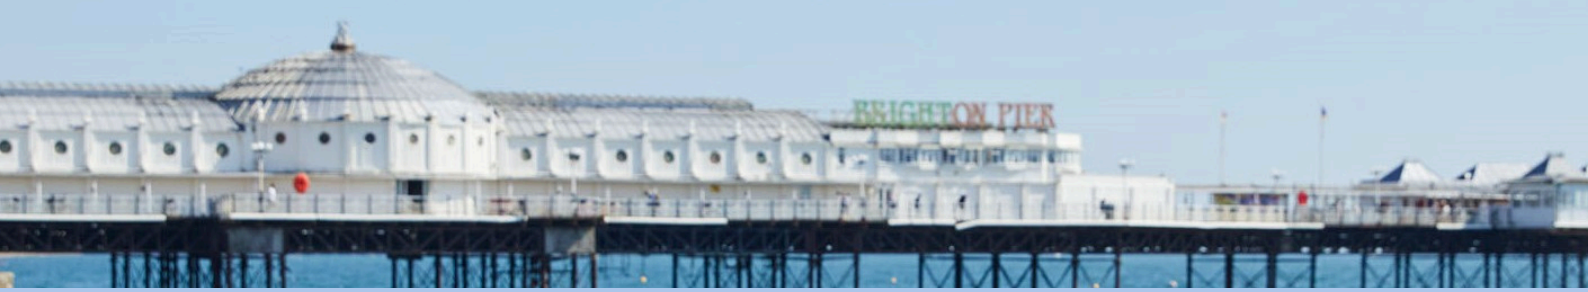

For more information

- Call 119 and ask about booking vaccinations in your area
- Visit www.nhs.uk/nhs-services/covid-19-services/covid-19-vaccination-services/
- Scan the code below

Scan to book from Sep 23rd

You are also eligible if you are part of these groups

Residents in care homes for older adults.

Frontline NHS and social care workers and those working in care homes for older people.

Individuals aged 6 months to 64 years in a clinical risk group (see below).

If you are not sure whether you are in a clinical risk group contact your GP reception.

These might include individuals with a severe lung condition, diabetes, immunosuppression, heart or kidney disease, severe mental illness, and pregnancy.

Scan the QR code for more information.

‘Having your COVID-19 vaccination this autumn will give you protection from serious COVID illness over winter.’

UK Health Security Agency

‘I urge everyone who is eligible to take up the offer of a vaccine as soon as possible once invited – it will help improve your immunity to COVID-19, which does wane over time.’
